## Ultimate Technographics' unique solutions are attracting new dealers from all over the world

**Montreal, Canada, December 4th, 2008** Ultimate Technographics Inc, [www.imposition.com](http://www.imposition.com), the leader in prepress-postpress automation, is thrilled to announce the signature of several dealership agreements worldwide, just a few weeks after releasing its new pricing strategy.

Recently, the company released several new solutions including a powerful imposition plug-in for Acrobat, Absolutely Imposing on MAC; the new Impostrip On-Demand Digital Automation 2009 and the new Impostrip Econo Edition, to satisfy the needs of cost conscientious printers. With prices starting at 795\$ USD and 595, EUR, Ultimate Technographics has created the most complete range of automated digital imposition solutions, for all budgets and production requirements.

"We are extremely pleased to have the opportunity to work with new dealers worldwide, whom have immediately recognized the commercial authority of our product line and the power of our strategically priced solutions." explains Raymond Duval, Director of Channel Development, "In less than a couple weeks, we have signed new dealers from Colombia, Norway, Greece and several others are enthusiastically studying our portfolio."

Details about the new products and pricing, and the new Ultimate Bindery, a stand alone JDF server solution to automate finishing, are available upon request with Ultimate Technographics via [sales@imposition.com](mailto:sales@imposition.com)

### **About Ultimate**

Headquartered in Montreal, Canada, Ultimate invented digital imposition 20 years ago with the first release of Impostrip, and has played a leading role in the market ever since in providing the most innovative and progressive imposition products. The company is continually evolving Impostrip to be the first to take advantage of new operating systems or DTP applications and over 150 other applications supported in PostScript and PDF. Over 30,000 imposition engines have been sold to date to OEMs, prepress professionals and digital printers around the world, and the company has a rich history of providing imposition technology into hardware and software workflow solutions for print industry leaders including Glunz&Jensen, HP, InfoPrint-Ricoh, Xerox, Xeikon and others.
